UWAGA

Przy stosowaniu kleju i farb wszystkie prace należy wykonywać w przewiewnym miejscu z dala od źródła ognia.
Oddziel części od elementów nożami lub innym czystym narzędziem. Oczyścić lampę błyskową i wytnij punkty przyliskiem igłowym i papier ścierny. Złóż modele zgodnie z schemat montażu.
Dla ułatwienia montażu każda część jest oznaczona numerem. Po złożeniu zestawu mogą pozostać niewykorzystane części.

CAUTION

When you use glue or paint, do not use near open flame, and use in well ventilated rooms. When you take parts off from the runner frame, use modeling scissors or cutter.
See the bottom of this column for the meaning of symbols.
Extra details can remain after assembling of the kit.
