## **BATTLE BOX II FAQ : (Source old Phoenix Interactive Blog).**

**Cathel Rowan:** /

### **Jorn of the Summit:**

The Dwarf gains the Level for equipping the item and readies before it is equipped.  
Can ready a stunned character that equips an item by way of an action performed by another character (such as Well Supplied or Colichemarde) - it targets the character equipping the item, not necessarily the acting character.

### **Rowan's Duty:**

Is triggered by deaths caused by any action, as long as the opposing character satisfies the distance requirement.

### **Scythe of Souls:**

Multiple reacts to strikes against the same character are cumulative.

### **Shield of the Summit:**

There must be an adjacent character to suffer the wound for the react to be used. (Illegal Effect Rule)

### **Blood Oath:**

Is NOT an MRP of the other action card with the same name.
